PERIPHERAL INTERVENTION

Selective navigation and controlled embolization.

Bilingual portfolio brief | Resumen de portafolio bilingue

DOCUMENT CONTROLLED

PORTFOLIO MAP

Selective navigation and controlled embolization.

Peripheral access technologies are considered together with therapeutic-delivery compatibility, particle characteristics and intended vascular territory.

01

Microcatheters and access platforms

Selective peripheral navigation concepts reviewed by profile, support, distal visibility and therapeutic compatibility.

02

Calibrated embolic technologies

Microsphere concepts reviewed by particle range, suspension behavior, delivery compatibility and intended indication.

QUALIFICATION LENS

Manufacturer and product qualification - current IFU and technical file - regulatory and country readiness - logistics, training and post-market responsibilities.

MAPA DEL PORTAFOLIO

Navegacion selectiva y embolizacion controlada.

Las tecnologias de acceso periferico se consideran junto con compatibilidad de entrega terapeutica, caracteristicas de particulas y territorio vascular previsto.

01

Microcateteres y plataformas de acceso

Conceptos de navegacion periferica evaluados por perfil, soporte, visibilidad distal y compatibilidad terapeutica.

02

Tecnologias embolicas calibradas

Conceptos de microesferas evaluados por rango de particulas, suspension, compatibilidad de entrega e indicacion prevista.

CRITERIOS DE CUALIFICACION

Cualificacion de fabricante y producto - IFU y expediente tecnico vigentes - preparacion regulatoria y de pais - logistica, formacion y responsabilidades poscomercializacion.

COMMERCIAL AND CLINICAL BOUNDARY

A portfolio brief, not an IFU.

This Azucena Medical document supports preliminary commercial dialogue. It does not replace the manufacturer's current instructions for use, approved labeling, regulatory status, clinical judgment or country-specific authorization.

Un resumen, no unas instrucciones de uso.

Este documento de Azucena Medical apoya el dialogo comercial preliminar. No sustituye las instrucciones de uso vigentes del fabricante, el etiquetado aprobado, el estado regulatorio, el criterio clinico ni la autorizacion especifica del pais.
